## ISU Regional North / East European Ice Dance Development Training Seminar for Novice Ice Dance Couples and Coaches

The ISU announces that the Ice Dance Technical Committee through an initiative supported by the ISU Development Program is organizing an International Ice Dance Development Training Seminar for Coaches and Ice Dance Couples of Novice age and level from Northern and Eastern Europe in:

**Torun, Poland, August 18th ï 25th, 2012**

The aims of the Seminar are re-initiating Ice Dance in countries that had Couples before, but have no or very little activity now, and introducing Ice Dance in countries where it is not yet traditionally pursued. Top, world-class Coaches will moderate the Seminar. On ice sessions will focus on the development of basic principles and technique of Ice Dance. The Seminar will also include daily off-ice sessions on ballet/jazz, lifts, relaxation/yoga, movement to music, ballroom-dancing and dance technique lectures. For a more personal learning effect, the experts will be available for a one-to-one contact with participating Coaches.

The moderators for this seminar are:
On ice:
Mrs Sylwia Nowak-Trebacka, IDTC, Mr. John Dunn, IDTC, Mr.Michael Webster, ITA
Off ice:
Mrs. Karolina Pawlonka (ballet), Mr. Jacek Chmiel (physical preparation)

The Ice Dance Seminar is composed for beginner and Novice aged Couples with the ISU age requirements accepted by the ISU Congress (officially valid from July 1st 2014):
Skaters must have reached the age of 10 but not the age of 15 for Ladies and 17 for Men by July 1th preceding the Seminar.

Each Member may enter Couples with no limitation plus a not limited number of Coaches to the Seminar. Couples should participate together with their Coaches, unless otherwise authorized by the Sport Director, Figure Skating.
In order to provide quality education, the maximum capacity is 21 Couples and 20 Coaches. In case of too many Couples entered, the ISU will reduce the number using primarily the age criteria. A ñwaiting listò will be created in order to offer the chance of acceptance and participation should cancellations occur.

In addition, the Ice Dance Technical Committee will check the list of entries and accept only participants (Couples and/or Coaches) for which it sees a possibility of future development in Ice Dance.
The Seminar is also open to Coaches wishing to attend without Skaters.

**Expenses**

The financial responsibility for the Seminar is as follows:
