Communication No. 1583

Ice Dance Clarification to ISU Communication 1567

ISU Communication 1567 states on page 3 regarding Step Sequences:

“Note: Base Value for Diagonal Step Sequence to be same as for Circular Step Sequence (see updated Scale of Values, pages 28-29)”

However the Scale of Values on Page 29 does not reflect this statement regarding the Original Dance. The values shown in the Communication reflect the Scale of Values for the Diagonal Step Sequence for the Free Dance only. The following Table should be added on page 29 of ISU Communication No. 1567 to reflect the Scale of Values for the Diagonal Step Sequence for the Original Dance:

SCALE OF VALUES - Straight Line Step Sequences							
Diagonal in Hold - (OD)							
DiSt1	3.0	2.0	1.0	5.6	- 1.0	-2.0	-3.0
DiSt2	3.0	2.0	1.0	6.4	- 1.0	-2.0	-3.0
DiSt3	3.0	2.0	1.0	7.2	- 1.0	-2.0	-3.0
DiSt4	3.0	2.0	1.0	8.0	- 1.0	-2.0	-3.0
