1. Application to hold ISU Recognized Ice Dance Judges Seminars 2010

In accordance with the ISU Regulations, Rule 425, paragraph 8, Members may send to the ISU Secretariat, with a copy to the Chair of the Ice Dance Technical Committee, applications for ISU Recognized Ice Dance Judges' Seminars 2010 for the purpose of Rule 410, paragraphs 10. b), 12. f), 13. f) and Rule 425, paragraphs 9.a) (ii), 9.b) (ii), 10.c) and 11.c).

The deadline for these applications is established as **January 1, 2010**.

2. ISU Recognized Ice Dance Judges Seminars

Moderators designated by the Ice Dance Technical Committee must conduct these Seminars. If a Seminar is organized in conjunction with an International Competition, the participants at the Seminar cannot also serve as Referees or Judges at the competition but may take part in Trial Judging if it is required for the first nomination as an International Judge (Rule 425, paragraph 10. c. i) or to fulfill requirements for activity (Rule 410, paragraph 20 and Rule 425 paragraph 21).

Members wishing to nominate Ice Dance Referees and/or Judges and Coaches to participate in an ISU Recognized Seminar, or the ISU Referees/Judges themselves, may make an application to the ISU Secretariat, with copies to the Host Member and the Chair of the Ice Dance Technical Committee, not later than six weeks prior to the scheduled date of the Seminar. The Host Member must also send to the ISU Secretariat, with a copy to the Ice Dance Technical Committee, the names of those of its own Referees, Judges and Coaches who will attend the Seminar.

These Seminars are primarily for the Referees/Judges of the organizing Members. However Referees/Judges of other Members (not more than 2 per Member) can also attend subject to the availability of places.

Language

All Seminars will be conducted in English.

Expenses

The responsibility for the expenses of an ISU Recognized Seminar will be allocated as follows:

- a) The administrative expenses (use of ice surface, classroom and all supporting equipment/facilities) will be borne by the Host Member.
- b) If the Moderator(s) requires skaters to demonstrate, the travel and living expenses of one (1) dance couple to serve as demonstrators will be borne by the ISU unless the respective skaters are entered in the associated International Competition.

- c) The travel and living expenses of the Moderators of the Seminar designated to serve by the Ice Dance Technical Committee will be borne by the ISU.
- d) The travel expenses of the participating Referees, Judges and Coaches will be borne by their respective Members, or by the Referees/Judges themselves in case of direct application (not through the Members).
- e) The living expenses (rooms and meals) of the participating ISU/International Referees, Judges and Coaches (other than the Coach requested by the ISU) will be borne by their respective Members or by the Referees/Judges themselves in case of direct application (not through the Members).
- f) The demonstrators (skaters), in addition to travel and living expenses, will receive a contribution of SFr. 500. - (each) for skaters who have participated in ISU Championships and SFr. 300. - (each) for all other skaters, which shall be borne by the ISU.
- g) The travel and living expenses of one (1) Coach, if requested by the ISU to accompany the demonstrators, shall be borne by the ISU.
- h) In addition to travel and living expenses, Coaches requested by the ISU to assist in the running of the Seminar, will receive a contribution of up to SFr. 1000, which shall be borne by the ISU.

3. ISU Recognized National Seminars

The ISU can contribute financially only to a limited number of ISU Recognized Seminars each year. Therefore the Members are also reminded that the Ice Dance Technical Committee may recognize national seminars organized by a Member as official seminars for the purpose of Rule 410, paragraphs 10. b), 12. f), 13. f) and Rule 425, paragraphs 9.a) (ii), 9.b) (ii), 10.c) and 11.c).

Members wishing to hold Recognized National Seminars, where the ISU is unable to contribute to the expenses, may therefore request to hold the aforementioned seminar by following the same application procedure with the deadline **of January 1st, 2010**. The organizing Member must make the application for recognition.

If recognition is granted, the total expenditure will then be borne by the organizing Member concerned. Moderators designated by the Ice Dance Technical Committee must conduct these seminars.

Members who do not receive financial assistance from the ISU could apply to their respective NOC for possible funding through Olympic Solidarity.
