ISU Pair Skating Development Training Seminar for Coaches and Pair Skaters

ISU recognized Judges Seminar in Pair Skating

A. ISU Pair Skating Development Training Seminar for Coaches and Pair Skaters

The ISU announces that the Single & Pair Skating Technical Committee through an initiative supported by the ISU Development Program is organizing an International Pair Skating Development Training Seminar for coaches and Pair Skaters in:

Berlin, Germany: March 28th to April 7th, 2013

The aim of the Seminar is to develop Pair Skating to a high level and to introduce Pair Skating in new areas where it is not yet traditionally pursued. Top, world-class Coaches will moderate the Seminar. A ranked world-level pair team will be in attendance to assist. Daily off-ice classes, which will include ballet, lifts, relaxation/yoga, movement to music and the study of the Program Components. Coaches will find expert assistance in putting together suitable Skaters for developing new teams. For a more personal learning effect, the experts will be available for a one-to-one contact with participating Coaches.

The 2013 Pair Seminar is composed for Novice and lower Junior- aged pairs with the following requirements:

A Pair is eligible for participating who

- has reached the age of 10 but not the age of 15 by July 1st, preceding the seminar (younger age);
- has reached the age of 12 but not the age of 19 for Ladies and Men, by July 1st, preceding the seminar (older age).

Remark: In case of vacancies the ISU is flexible in handling the male age limitation which should not exceed one (1) year to the above mentioned limitation. Any request within such a limitation will be handled after the entry deadline of January 5th, 2013.

The number of pairs and Coaches entered from each Member has no limitation but a general guideline has been established to a maximum of two (2) pairs per Member per category (Novice and Junior). In the case of too many pairs entered, the ISU will reduce the number by using age as criteria. Preference will be given to pairs entered for the first time and to youth. There will also be a decision upon a follow-up project(s) for the participating pairs.

The Single & Pair Skating Technical Committee will check the list of entries and accept only participants (Skaters and/or Coaches) for which it sees a possibility of future development in Pair Skating.

The Seminar is also open to coaches wishing to attend without Skaters.

The Moderators of the seminar are, Mr. Louis Stong (CAN) Coordinator, Mr. Bruno Marcotte (CAN) Pair element Coach, Mrs. Dorota and Mr. Mariusz Siudek (POL) Off Ice lifts & Pair element Coaches, Mr. Peter Gruetter (SUI) Singles element Coach, Mr. Igor Tchiriaev (CAN) Skating Skills & Movement to music and Mr. Alexander König (GER) all round Coach.
