### PAIR SKATING

#### ISU Pair Skating Development Training Seminar for Coaches and Pair Skaters

The ISU wishes to inform you that the Single & Pair Skating Technical Committee through an initiative supported by the ISU Development Program is organizing an International Pair Skating Development Training Seminar for coaches and Pair skaters in:

**Gdansk, Poland – 21 – 29 April, 2006**

The aim of the Seminar is the development of pair skating to a high level and the introduction of pair skating in new areas where it is not yet traditionally pursued. Top, world-class coaches will moderate the Seminar. A highly ranked world-level pair team will be there to assist. Daily off-ice classes will include ballet, fitness and lectures. Coaches will find expert assistance in putting together suitable skaters and developing new teams. For a more personal learning effect, the experts will be available for a one-to-one contact with participating coaches.

Each Member may send two pairs and any number of coaches to the Seminar. The Seminar is also open to coaches wishing to attend without skaters. The Single & Pair Skating Technical Committee will check the list of entries and accept only participants (skaters and/or coaches) for which it sees a possibility of future development in pair skating.

#### **Expenses**

The responsibility for the Seminar is as follows:

- a) The living expenses (room and meals) will be borne by the ISU for the period from dinner on April 21 to breakfast on April 29, 2006.
- b) Members will be responsible for all travel expenses for coaches and skaters.

Participants should arrange to arrive in the afternoon of April 21 and depart in the morning of April 29, 2006.

#### **Language**

The Seminar will be conducted in English.

#### **Applications**

Applications for the Seminar together with the filled Attachment (for skaters) should be forwarded **no later than March 25, 2006** to the ISU Secretariat with copies to Mr. Alexander Lakernik, Chairperson of the Single & Pairs Skating Technical Committee, Mr. Gyorgy Sallak, Development Program Coordinator and to Mrs. Ewa Kierzkowska, General Secretary of the Polish Figure Skating Association.
