Culture-filled trip

Helsinki offers plenty to experience for cultural people. The city offers a wide range of high quality happenings including top Finnish and international names, enough to satisfy even the most demanding connoisseur of culture. Opera and ballet lovers must visit the Finnish National Opera and Ballet, situated opposite of the Official Hotel. Helsinki has many concert halls where you can enjoy either traditional or contemporary classical music. Helsinki's stunning range of visual arts can be admired in a number of quality museums and galleries - over 80, in fact!

Helsinki as a city of design

Design culture is really strong in Helsinki and there are multiple design shops around. Helsinki offers the best and widest range of shopping opportunities in Finland. Favourite items to bring home from Finland include designer products and high-quality food and confections. Fans of fashion and interior design can explore the city's Design District.

Food in Helsinki

In just a short time Helsinki has developed into the home of good food. "New Nordic Cuisine" has taken over the scene and found a truly receptive audience among the trendy small restaurants that have been established in recent years by up and coming chefs.

Finnish cuisine is based on fresh and natural ingredients that vary according to the season. In addition to vegetables, mushrooms, berries and fish, Finnish food is typified by simplicity and purity of taste. Helsinki's own cuisine also features influences from both the East and the West.

Venues

The competition venue Hartwall Arena is one of Europe's most actively used entertainment venues with a non-stop calendar of concerts, operas, dance performances, conferences and sport events. Hartwall Arena was built in 1997 and has up to 15 000 seats. Now, 18 years after the ISU World Figure Skating Championships 1999 and 8 years after the ISU European Figure Skating Championships 2009, the Arena will again welcome the ISU family and the spectators to enjoy the beauty of the figure skating under its superb facilities. The venue is designed to be an enjoyment for all senses with great food and interesting side event and activities.

The arena is located in the West Pasila area of Helsinki, 5 km from the Helsinki city centre and 4 km from the official hotel Scandic Park Helsinki. Hartwall Arena is easily accessible with public transportation: From the city centre the most convenient is to take a train from main railway station to the Pasila station where all trains stop and just walk 7 minutes to the arena. Another route is to take tram 7A or 7B and stop in tram stop "Kyllikinportti" stop number 0607 or 0608 and from there it is a 800 meter walk to the arena.

The Hartwall Arena practice rink is adjacent to main rink and is built 20 meters into rock. Competitors and officials can take the elevator from the main arena to the practice rink. The chaperons and the media have a separate entrance outside the building.

The size of the main ice rink is 30 x 60 m. The size of the practice ice rink is 28 x 58 m. Driving time from the airport to Hartwall Arena is 20-35 minutes depending on the traffic conditions.

The practices for the Pair Skaters from Monday 27th to Tuesday 28th will take place in Pirkkola practice rink. It is located about 4 km north of the Hartwall Arena. Pirkkola practice rink ice surface is 30 x 60 m.
